To

SIR,

Subject — Budget estimates of Kankanhalli Municipality
for 1941-42.

I have the honour to forward herewith the budget estimates of Kankanhalli Town Municipality for the year 1941-42 together with the required statements and the resolution of the Municipal Council duly approving of the same.

The Municipal Council anticipates an income and expenditure of Rs.12,925/- and Rs.12,543/- respectively during 1941-42 as against the sanctioned and revised estimates of Rs.11,105/- and Rs.11,170/- and Rs.10,946/- and Rs.10,100/- respectively during the year 1940-41.

Income:- Under A (1) Octroi, an income of Rs.2,800/- is estimated as against the sanctioned and revised estimates of Rs.2,800/- and Rs.2,500/- during the year 1940-41. The accounts for the year 1939-40 show Rs.2,349-3-6. Since no explanation is offered for anticipating an increase of Rs.300/- over the revised estimate for 1940-41, the income for 1941-42 may be fixed at Rs.2,500/-.

Under A (2) taxes on buildings and lands, an income of Rs.4,000/- is estimated as against the sanctioned and revised estimates of Rs.3,400/- and Rs.4,000/- during 1940-41. It is explained that the demand would be increased on account of revision to be undertaken during 1941-42. But collections may not immediately improve after revision. Hence, the

income under this head may be reduced to Rs 3,700/-
(average of sanctioned and revised estimates for 1940-41).

Under A (9) shop-tax, an income of Rs.600/-
is anticipated as against the sanctioned and revised estimates of Rs 900/- and Rs.500/- respectively during 1940-41. The actuals for 1939-40 are Rs 634-10-0. Hence, the income under this head during 1941-42 may be raised to Rs 700/-

Under C (1) rent of buildings and lands, an income of Rs 150/- is estimated as against the sanctioned and revised estimates of Rs 50/- and Rs.120/- during 1940-41. The accounts for 1939-40 show only Rs.15/- and no explanation is furnished for expecting an increase now. Hence, the income under this head may be reduced to Rs.100/-.

Under 'D' Grants from Government, a sum of Rs.1,000/- is anticipated as grant by Government towards the Drainage scheme. Since the grant is not yet sanctioned, this item may be deleted.

The other items of income may be retained.

Expenditure - Under A (2) (d), an expenditure of Rs.150/- is provided towards the purchase of cyclostyle machine, Record rack, tables etc. Considering the slender resources of the Municipality, the expenditure under this head may be restricted to Rs.50/- during the year 1941-42.

Under D (1) original works, an expenditure of Rs.2,000/- is provided towards the drainage scheme of which Rs 1,000/- is Municipal quota, the balance being the Government Grant. The drainage scheme is still under correspondence and the question of sanction of loan to the Municipality is recommended in this behalf. Since the Government grant of Rs.1,000/- is deleted on the income side, the expenditure may also be reduced by Rs 1,000/-.

Under D (2) repairs, a sum of Rs.1,000/- is provided as against the sanctioned and revised estimates of Rs.500/- during the year 1940-41. In view of the slender resources of the Municipality, the expenditure may be limited to Rs.500/- under this head during the year 1941-42.

Under E (3) (a) Medical Relief, an expenditure of Rs.551/- is provided towards the payment of medical contribution due for one year. It is seen from the list of contributions due by the Municipality that a sum of Rs.1,102/- is already overdue (i.e., for 2 years excluding the contribution for 1941-42). As previously ordered by Government in their Order No.L.1265-6/L1. 64-40-4 dated 3-8-1940, (sanctioning the budget for 1940-41) the arrears have not been yet paid. Hence, provision may be made now for the payment of one instalment of arrears along with the current demand. Hence, the expenditure under this head during 1941-42 may be raised to Rs.1,102/-.

Under E (3) (g) Contribution to Veterinary hospital, a sum of only Rs.70/- is provided for the year 1941-42, whereas there are already 2 years contributions overdue. Hence, the provision under this head may be raised to Rs.240/- so as to clear off all the arrears including the current demand.

Under E (4) (5) Maintenance of public gardens, an expenditure of Rs.120/- is newly provided towards the appointment of a peon on Rs.10/- per mensem, to look after the Village Panchayet Hall Park. The sanction of Government has not been obtained for this appointment and considering the fact that this Park lies opposite the Taluk Office and can be taken care of by one of the

existing peons of Municipal Office and also in view of the poor finances of the Municipality, the creation of any new post is unnecessary for the present. Hence, this expenditure may be deleted.

Under the same head, another fresh expenditure of Rs 72/- is provided towards the payment of allowance at Rs.6/- per mensem for operating the Radio. This seems excessive and also proper sanction has not been obtained. As in a similar case at Chennapatna Municipality, a monthly allowance of Rs 2/- only ought to be enough. The expenditure under this head may be reduced to Rs.24/- sanction of Government should, however, be obtained for payment of this allowance separately.

Under F (b) Miscellaneous, a sum of Rs.320/- is provided towards the payment of one year's Primary education contribution. As seen from the statement of overdue contributions to be adjusted by the Municipality, contributions for 3 years are already in arrears. Hence, provision may be made for the payment of one year's arrears along with the contribution for the year 1941-42. Hence, the expenditure under this head may be raised to Rs 640/- during 1941-42.

Under the same head, a sum of Rs 100/- is provided towards the refund of Education Cess collected. As seen from the statement of contributions due by the Municipality, there is already an arrear of Rs 1768-0-0 to be adjusted by the Municipality and no provision has been made therefor in this budget. The accumulation of this arrears is highly unsatisfactory. As the finances of the Municipality do not admit of payment of this amount in one lumpsum, the Amildar President will be instructed to apply immediately for permission of Government for the payment of this arrears in at least in instalments.

- 5 -

Under A (3) (b), a sum of Rs 60/- is provided towards the payment of an allowance of Rs 5/- p m. to the Assistant Sanitary Inspector for vaccination work. As proper sanction has not been obtained for this extra allowance, this may be deleted.

Under A III Pensionary contribution due on account of employees lent to the Municipality, a sum of Rs.200/- is provided. But, there is already an arrears of Rs 173-14-8 to be adjusted on this account. Hence, provision under this head may be raised to Rs 374/- so as to wipe off all the arrears along with the current demand.

The other items of expenditure may be retained. With the above modifications, the financial position of the Municipality during 1941-42 will be as follows -

Opening balance on 1-7-41	1,184	0	0
Receipts	11,375	0	0

Total	12,559	0	0
Expenditure	11,900	0	0

Closing balance	659	0	0

The normal expenditure will be slightly above the normal income of the Municipality. This is due to the fact that provision has been made for the adjustment of some of the arrear contributions due to Government in full and some in part during the budget year. The financial position of the Municipality is very unsatisfactory and the Municipal Council will be advised to collect all the outstanding arrears and strengthen their financial condition.

I request you to be so good as to obtain the sanction of Government to the budget estimates for the year 1941-42.

9) It is very surprising
to note that the

allowed to fall into arrears

The explanation of the
President should be handed
forward to get before the

as & when they fall due
and why the Education
Cell was not adjusted

according to standing orders
but was allowed to be utilized
for ordinary expenditure.
Action should be taken to pay up

current contributions before the
